Absolutely stunning residence and views from everywhere! The perfect height for privacy with spectacular sights through the floor to ceiling windows. Views of the palm trees, pool, beach and Caribbean Sea, and Seven Mile Beach shoreline all the way to Northwest Point. Not too high in the building to be able to enjoy all of this. Even the back bedroom, bathroom, and kitchen have windows with full views of Seven Mile Beach and the Sea. Really quite amazing! A gorgeous wide balcony on the beachfront is ideal for sunsets, lounging, dining, and entertaining. If you truly want the very best beachfront lifestyle, this residence offers unprecedented bespoke living on Seven Mile Beach. It is completely turnkey – fully furnished with brand new furnishings, bedding, linens, comprehensive kitchen package of everything that you would ever need including countertop appliances, and an enhanced audio visual package with Samsung Art Frame TVs in the living room and each bedroom, including Sonos Soundbars and much more. Seacrest has a rooftop deck lounge area for residents to enjoy, beachfront pool and spacious deck, fitness center, BBQ area, reception center, and covered parking. At this low price for a new, fully furnished residence with immediate occupancy, Seacrest is a tremendous value!
