One of Cayman's most successful land subdivisions, which appeals to both investors and prospective home builders through potential capital appreciation or a most desirable area to build a home and raise a family. Strong covenants protect your investment and peace of mind. Minutes to the new Bodden Town public beach and Clifton Hunter school. Poised for strong value appreciation following the government's confirmation on March 10, 2026 of a September 2026 start for the East-West Arterial road from Lower Valley right to Frank Sound. Large enough to accommodate a duplex, with the rear half of the land consisting of rock - which reduces fill costs. Areas stated are approximate.
