Imagine stepping onto 100 feet of seafront on Cayman Brac's peaceful South Side East —a rare stretch where the shoreline feels wide, natural, and unspoiled and the Bluff provides a stunning backdrop. This 0.56-acre parcel is ready for development, with generous frontage and loads of sand creating an inviting setting for a future coastal build. This lot offers flexibility for a range of concept, from a private island-style retreat to a thoughtfully designed residence that captures sea views and cooling breezes. With the water just steps away, you can plan outdoor spaces that make the most of the setting: shaded seating, a seaside deck, or a landscaped path down to the shoreline.
