A rare offering in one of the most coveted positions on Seven Mile Beach, this 2-bedroom beachfront residence at the exclusive Islands Club seamlessly blends lifestyle and investment potential. Vacation-rental ready, it offers immediate income opportunities, while the prime location and low-density footprint ensure strong long-term redevelopment potential value. Ideally situated within walking distance to world-class restaurants, shopping, and water activities, the Islands Club is celebrated for its unbeatable location and minimal turnover. With units in this sought-after complex seldom available, this property presents a truly exceptional chance to own on Grand Cayman's most famous stretch of beach whether as a vacation retreat, income-producing rental, or strategic investment.
